RETAINED RIGHTS/TERMS AND CONDITIONS

General

1. Authors/employers retain all proprietary rights in any process, procedure, or article of manufacture described in the Work.
2. Authors/employers may reproduce or authorize others to reproduce the Work, material extracted verbatim from the Work, or derivative works for the author's personal use or for company use, provided that the VPQM source publication is referenced, and the copies are not used in any way that implies VPQM endorsement of a product or service of any employer.

3. Authors retain the right to reuse all or portions of the work in a substantially longer or shorter work of Authors' own authorship provided that the authors attribute the reused portions to the VPQM source publication from which the reused portions are taken.

4. In the case of a Work performed under a U.S. Government contract or grant, VPQM recognizes that the U.S. Government has royalty-free permission to reproduce all or portions of the Work, and to authorize others to do so, for official U.S. Government purposes only, if the contract/grant so requires.

5. Authors whose work was performed under a grant from a government funding agency are free to fulfill any deposit mandates from that funding agency.

**Author Online Use**

6. Personal Servers. Authors and/or their employers shall have the right to post the accepted version of VPQM-copyrighted articles on their own personal servers or the servers of their institutions or employers without permission from VPQM, provided that the posted version includes a full citation to the original VPQM publication, including a link to the VPQM proceedings in which the article appears.

7. Electronic Preprints. Before submitting an article to VPQM, authors frequently post their manuscripts to their own web site, their employers site, or to another server that invites constructive comment from colleagues. Upon publication of an article by VPQM, the author must replace any previously posted electronic versions of the article with either (1) the full citation to the VPQM work and a link to the to the VPQM proceedings in which the article appears., or (2) the final accepted VPQM article, including the VPQM copyright notice and full citation, with a link to the VPQM proceedings in which the article appears.

**INFORMATION FOR AUTHORS**

**VPQM Copyright Ownership**

The terms and conditions of this Form are to protect the interests of VPQM, its authors and their employers, and, at the same time, to facilitate the appropriate reuse of this material by others. VPQM distributes its technical publications throughout the world and does so by various means such as hard copy and electronic media. It may also abstracts and translate its publications, and articles contained therein, for inclusion in various compendiums, collective works, databases and similar publications.

**Author/Employer Rights**

If you are employed and prepared the Work on a subject within the scope of your employment, the copyright in the Work belongs to your employer as a work-for-hire. In that case, VPQM assumes that when you sign this Form, you are authorized to do so by your employer and that your employer has consented to the transfer of copyright, to the representation and warranty of publication rights, and to all other terms and conditions of this Form. If such authorization and consent has not been given to you, an authorized representative of your employer should sign this Form as the Author.

**GENERAL TERMS**

1. The undersigned represents that he/she has the power and authority to make and execute this form.
2. The undersigned agrees to identify and hold harmless VPQM, including members of the VPQM organizing committee and technical committee, from any damage or expense that may arise in the event of a breach of any of the warranties set forth above.
3. In the event the above work is not accepted and published by VPQM or is withdrawn by the author(s) before acceptance by VPQM, the foregoing grant of rights shall become null and void and all materials embodying the Work submitted to VPQM will be destroyed.
4. For jointly authored Works, all joint authors should sign, or one of the authors should sign as authorized agent for the others.
